

Your name: _____

ON THE MOVE!

Animals move in many different ways. Watch the animals in the zoo. How many different ways of moving can you see?

Find animals that move in the following ways and draw a picture of each. Don't forget to look in the Education Centre!

<p>This animal walks on four legs.</p>  <p>.....</p>	<p>This animal can fly.</p>  <p>.....</p>
<p>This animal is good at climbing.</p>  <p>.....</p>	<p>This animal slithers.</p>  <p>.....</p>
<p>Can you think of any other ways that animals move? Write or draw them here.</p>	

Try to move in the same way as the animal you are watching.
